

Show Facebook Calendars on SFU Website

1. Getting facebook calendar subscription Link

- log in with "thomasaanderson" account
- Click on Events

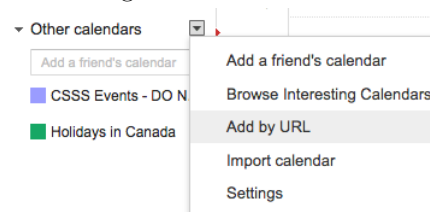

- Right click on "Upcoming Events" and select "Save Link As"

- the above steps give you this link:
<http://www.facebook.com/ical/u.php?uid=100016344735432&key=AQBVgDJ7N5vql8sp>

2. Adding subscription link to google calendar account

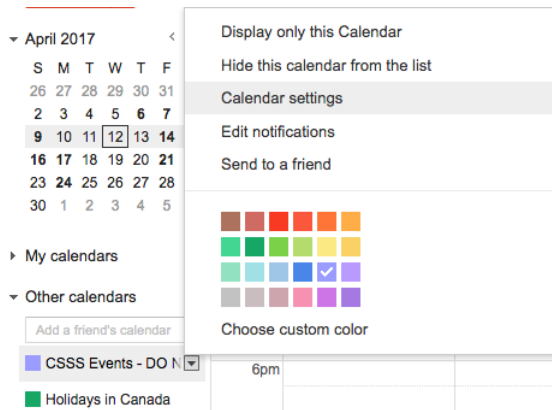

- go to calendar page for sfucsss gmail account
- click on right down arrow next to "other calendar" and choose "Add by URL"

- enter in the subscription link obtained into the URL and make sure to make the calendar publicly accessible

3. Share google calendar to sfucsss website

- click on arrow next to recently added calendar in "other calendar"

- select "calendar settings"
- click on "Customize the color, size, and other options" in the attached picture

Paste this code into your website.
[Customize the color, size, and other options](#)

```
<iframe
src="https://calendar.google.com
/calendar
/embed?src=bbbq60o04q740ms1mjk0
d4h259uoston%40import.calendar.goo
```

- Enter a space in the "Calendar Title" field to hide the "CSSS Events - DO NOT UNSUBSCRIBE" title from the calendar
- Also unclick "Calendar list" in the left checkboxes
- Ensure in "Calendars to display" in the bottom left side of page, only "Thomas Anderson's Facebook Events" is selected
- Click "Update HTML" button next to "Copy and paste the HTML below to include this calendar on your webpage"
- copy the generated HTML code and paste it into the sfucss upcoming events post contents editor
